PHILOSOPHY**1:1 Professional Recognition**

- 1:1.1 The Hamilton Township Board of Education recognizes that the Learning Disability Teacher-Consultants and School Psychologists are professions which require unique educational qualifications, and that the success of the educational program depends upon maximum utilization of these talents.
- 1:1.2 The term "employee" in this contract shall refer to all Learning Consultants and School Psychologists.

1:2 Support of Board of Education

- 1:2.1 The Learning Disability Teacher-Consultants and School Psychologists will work professionally and harmoniously with the administrators, teachers, staff, and district parents to further the cause of good education in the district while upholding Board policies especially as they pertain to students with special needs. When requested, the Learning Disability Teacher-Consultants and School Psychologists will lend their professional knowledge to the administration in assisting in the development of programs and Board policies and, furthermore, to give support to the final Board policies when adopted. The Association is to be formally notified by the Board of Education or its agents of any new policies adopted by the Board which might change the terms and conditions of employment or job responsibilities of employees.

1:3 Meetings

- 1:3.1 The Superintendent and/or representatives at the central staff level agree to meet with representatives of the Association (normally two times per year) to amicably review and discuss current school problems which affect the professional functions of the Learning Disability Teacher-Consultants and School Psychologists.
- 1:3.2 These meetings will serve as a vehicle by which a common understanding can be facilitated. An attempt shall first be made to resolve all concerns through normal administrative channels.

1:4 Facilities and Supplies

- 1:4.1 The Board of Education recognizes that Learning Disability Teacher-Consultants and School Psychologists are professions which require specialized facilities to optimally and efficiently perform their functions. In light of this, the Board shall give serious consideration to the Association's requests for improvement in both working areas and the furnishing of equipment and supplies.

ARTICLE II**RECOGNITION****RECOGNITION OF LEARNING DISABILITY TEACHER-CONSULTANT AND SCHOOL PSYCHOLOGISTS POSITIONS**

- 2:1 In accordance with Chapter 123, Public Laws of New Jersey, 1974, the Hamilton Township Learning Consultants/School Psychologists' Association is recognized as an affiliate of the New Jersey Education Association for the purpose of collective negotiations and as the exclusive agent for contract enforcement.
- 2:2 The Hamilton Township Board of Education will meet with the representatives of the Hamilton Township Learning Consultants/Psychologists' Association to discuss salaries and fringe benefits for the Learning Disability Teacher-Consultants and School Psychologists.
- 2:3 Upon completion of discussions, the final Agreement will be reduced to writing and ratified by the membership of the parties. Signatures affirm that the Agreement has been ratified by the parties. The Board will adopt same as Board policy.
- 2:4 This Agreement shall not be modified in whole or in part by the parties except by an instrument in writing duly agreed to and executed by both parties.
- 2:5 The Association shall have the right to use the Child Study Services Department mailboxes and bulletin board. A courtesy copy shall be placed in the Superintendent's and the Coordinator of Child Study Services mailboxes. The responsibility for the contents of communications rests wholly with the author. In the posting of the Association materials, and the use of mailboxes, all such materials shall be presumed to be authorized by the President of the Association. The Association agrees to hold the Board harmless in the event of claims arising out of the posting and distribution of Association material.
- 2:6 In recognizing the Association as the exclusive representative of the Learning Disability Teacher-Consultants and School Psychologists, the Board grants the Association the right to use school facilities and equipment after school hours with prior approval of the building principal or supervisor as appropriate. The Association shall supply all materials and supplies and pay for the reasonable cost of any repairs necessitated as a result thereof.
- 2:7 The Board will grant access to and copies of public information to the Association at the regular rates established by law providing a reasonable amount of time is given to produce the information.

ARTICLE III**GRIEVANCE PROCEDURE****3:1 DEFINITION**

- 3:1.1 A "grievance" is a claim by an employed Learning Disability Teacher-Consultant/School Psychologist that he/she has suffered a loss or injury as a result of misinterpretation, misapplication, or violation of this Agreement, Board Policies, or administrative decisions.

As used in this Article, the term "employee" shall mean (a) an individual employee, (b) a group of employees having the same grievance, or (c) the Association.

- 3:1.2 An aggrieved person is the person or persons making the claim.

3:2 PROCEDURE

- 3:2.1 A grievance to be considered under this procedure must be initiated by the aggrieved employee or the Association within twenty-five (25) working days from the time the action is taken or when the act is known or should have been known to have occurred.
- 3:2.2 Failure at any step of the procedure to communicate the decision on a grievance within the specified time limits shall permit the aggrieved to proceed to the next step.
- 3:2.3 Failure at any step of the procedure to appeal a grievance in writing to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step.
- 3:2.4 Any employee who decides either alone or with the assistance of the Association that he/she has a grievance, shall discuss it with his/her immediate supervisor in an attempt to resolve the matter informally at that level. The immediate supervisor shall have seven (7) work days from the date of the discussion within which to render a verbal decision. If the matter is not resolved to the satisfaction of the aggrieved, he/she shall have seven (7) work days from the date of the verbal decision within which to set forth his/her grievance in writing to his/her immediate supervisor, specifying:

- a. the nature of the grievance and date occurred;
- b. the specific provisions of the Agreement, Board Policies, or administrative decisions being grieved;
- c. the results of the previous discussions;
- d. his/her dissatisfaction with decisions previously rendered; and
- e. relief sought.

3:2.5 The immediate supervisor shall communicate his/her decision to the aggrieved and his/her representative, in writing, within seven (7) work days of receipt of the written grievance.

3:2.6 The aggrieved, no later than seven (7) work days after receipt of the immediate supervisor's decision, may appeal the decision to the Superintendent of Schools. The appeal to the Superintendent must be made in writing, reciting the matter submitted to the immediate supervisor as specified above, and the grievant's dissatisfaction with decisions previously rendered. The Superintendent shall attempt to resolve the matter as quickly as possible. He/she or his/her designee shall hold a hearing concerning the grievance within twenty-five (25) work days of receipt of the appeal. He/she or his/her designee shall render a written decision within fifteen (15) work days of the conclusion of the hearing.

3:2.7 If the aggrieved and/or the Association is dissatisfied with the decision of the Superintendent and only if the grievance pertains to a violation of this agreement between the Board and the Association, and review by the Board of Education is desired, the grievant shall file a request for the Board of Education to hear the particular issue. This request must be made no later than fifteen (15) work days after receipt of the Superintendent's decision. A copy of this request must simultaneously be submitted by certified mail or receipted hand delivery to the Superintendent.

3:2.8 The Board of Education must schedule a meeting for the grievant and/or the Association to make a presentation and shall communicate their decision on the grievance to the aggrieved, in writing, within sixty (60) work days of receipt of the written grievance.

3:2.9 Additionally, a grievance may not be submitted to the Board of Education which pertains to:

- a. any matter for which a method of review is provided for by law or any regulation of the State Board of Education, or the Commissioner of Education, or any matter which according to law is beyond the scope of the Board's authority or limited by law to Board authority alone;
- b. a grievance of a nontenured employee which arises by reason of his/her not being reemployed, or appointment to or lack of appointment to, retention in or lack of retention in any position for which tenure is either not possible or not required; and
- c. a grievance that impinges upon the Board of Education's right to appoint, promote, assign, and involuntarily transfer any employee.

3:2.10 In the event the aggrieved party is dissatisfied with the determination of the Board, the grievant and/or the Association shall have the right to request advisory arbitration pursuant to the rules and regulations established by the Public Employment Relations Commission under the provisions of Chapter 123, Public Laws of 1974. The findings of the arbitrator shall not be binding on the parties. Advisory arbitration shall be available only to the extent the subject matter thereof could, as a matter of public sector labor law, be brought to binding arbitration.

A request for advisory arbitration shall be made no later than fifteen (15) work days following the determination of the Board. Failure to file within said time period shall constitute a bar to such arbitration unless the aggrieved party and the Board shall mutually agree, in writing, upon a longer time period within which to assert such a demand.

3:2.11 An employee, in order to process his/her grievance to arbitration, must have his/her request for such action accompanied by the written recommendation for such action by the Association, which shall represent or approve the representative of said grievant at the arbitration level.

3:2.12 The arbitrator so selected shall confer with the representatives of the Board and the Association, shall hold hearings promptly, and shall issue his/her decision not later than thirty (30) work days from the date of the close of hearings.

3:2.13 The arbitrator shall limit him/herself to the issues submitted to him/her and shall consider nothing else. He/she can add nothing to nor subtract anything from the agreement between the parties.

- 3:2.14 In the event of arbitration, the costs of the arbitrator's services shall be shared by the parties and each of the parties shall bear their own costs.
- 3:2.15 If a court stenographer is requested by either party, the cost will be borne by the party requesting the stenographer. However, should the party not requesting the stenographer later request transcripts pertaining to the proceeding, they will then bear the proportionate share of the original cost. Parties requesting transcripts of the proceeding shall bear the cost of said transcripts.

3:3 GENERAL REGULATIONS

- 3:3.1 All appeals taken past the immediate supervisor of the aggrieved party must be stated in writing.
- 3:3.2 All time limits stated within this procedure must be strictly adhered to unless an extension is mutually agreed upon in writing by both parties.
- 3:3.3 Employees who participate in any matter processed through the grievance procedure or who refuse to participate in such process are assured that neither party to this Agreement shall engage in any reprisals because of their participation or refusal to participate.
- 3:3.4 The aggrieved party and his/her representatives shall have the right to be present at all hearings conducted at every step of the grievance procedure.
- 3:3.5 The right of a staff member to attempt to resolve a grievance directly through normal administrative procedure is not to be abridged in any way.
- 3:3.6 There will be no suspension of a grievance procedure when schools are not in session except by mutual consent of the parties.
- 3:3.7 The aggrieved shall have the right to present his/her own appeal or designate representatives of the Association to appeal with him/her or for him/her at any step in his/her appeal through the level of Superintendent. If the aggrieved does not designate a representative, the Association shall be notified that a grievance is in process and shall have the right to be represented at all hearings pertaining to the grievance.
